DUO WIN RM23.1 MILLION TOTO JACKPOT ON CHINESE NEW YEAR EVE

Ushering in the Year of the Snake, 2 lucky winners shared the RM23.1 million Toto 4D Jackpot 1 on the Chinese New Year eve on 28 January 2025.

The winner, who won a bigger share, was a saleswoman from Sabah. She won RM20.9 million from the jackpot with a System Play ticket.

The 54-year-old lucky winner told STM Lottery Sdn. Bhd. that she was only trying her luck when the Toto 4D Jackpot 1 reached over RM10 million.

"I did not have any specific numbers to buy, so I just took the car registration numbers from vehicles parked in my neighbourhood and I accumulated 18 sets of numbers to bet on a System Play ticket because 18 is the luckiest number during Chinese New Year.

"I only checked the results on the first day of Chinese New Year and this big ang pow was definitely the best thing that could happen in my life," she said.

Her pair of winning numbers – "8544 & 6238" in a System 18 ticket has won her a whopping RM20,924,354.85 and RM5,376 as System Play bonus.

The winner said she planned to share part of the winnings with her family members and do some investment.

The other winner was a 57-year-old designer from Selangor who won RM2.2 million with an i-System 20 ticket.

"I must thank the customer service assistant who advised me to bet on a Special Draw day if not I would have missed the opportunity.

"My 20 sets of 4D numbers which consist of my winning numbers – 2896 & 6238 are some old numbers that I have been betting on for a long time," he said.

His i-System 20 ticket has won him RM2,202,563.55 and an additional RM637.20 as i-System bonus.

The winner said he planned to buy a house for his daughter and save the balance as his retirement fund.
