## CNY cheer for senior citizens

**KUALA LUMPUR:** Senior citizens aged 60 and above are in for a treat, thanks to STM Lottery Sdn Bhd, which is launching its 37th Sports Toto Chinese New Year Ang Pow Donation Campaign on Jan 18.

To be launched at the main entrance of the Boulevard at the iconic Berjaya Times Square, the campaign will continue until Jan 23 and aims to benefit senior citizens in 50 cities and towns nationwide.

STM Lottery deputy general manager (Communications and Sustainability) Giam Say Khoon said qualified senior citizens would receive a mini hamper and a red packet.

"Recipients must bring their MyKad for age verification. Please be at the venue before 9am as we will

start distributing the items on a first-come, first-served basis from then until 10.30am. Representatives of recipients are not allowed to collect items on their behalf," he said, adding that those from other locations must register on an earlier date.

The campaign started in 1988, with STM Lottery contributing more than RM24.3 million, benefitting over 437,000 senior citizens nationwide.

"The campaign is an integral part of our Helping Hands programme, which is a CSR and sustainability initiative by STM Lottery," Giam said.
