Spreading festive cheer to Orang Asli villagers in S'gor, Pahang

A GAMING company has collaborated with a non-governmental organisation to hold a Christmas event for two Orang Asli villages in Selangor and Pahang, spreading joy during this holiday season.

Reaching out to the indigenous community in Kampung Sungai Kelubi in Rawang and Kampung Kepong Kuchai in Raub, STM Lottery Sdn Bhd (STM Lottery) contributed RM35,000 to Strategic Methods and Ongoing Achievements Bhd (Semoa) to organise the celebration.

"Christmas is a time for joy, compassion and sharing.

"We are grateful for the opportunity to collaborate with Semoa since 2013 and contribute to the well-being of the Orang Asli community.

"Our hope is to spread warmth and happiness so that the underprivileged can also enjoy the festive season," said STM Lottery communications and sustainability deputy general manager Giam Say Khoon.

The funds were utilised to host the

event, including a Christmas party and distribution of essential food provisions to 800 adults.

Additionally, STM Lottery extended its festive generosity by presenting gifts to 500 children.

Other than cash contribution, STM Lottery's employees, who formed the Helping Hands team, participated in events in both villages to create meaningful and memorable experiences.

The Christmas events featured a range of activities, entertainment and traditional festive elements that captured the spirit of the season.

STM Lottery and Semoa are dedicated to fostering a sense of community and togetherness, bringing smiles to the faces of residents in these rural areas, Giam said.

"This event is testament to STM Lottery's sustained commitment to corporate social responsibility and sustainable community development under the Helping Hands initiative."
