

# Sarawakian housewife wins largest portion of RM22.9 mln Toto jackpot

**KUCHING:** A 53-year-old Sarawakian housewife has won RM17.3 million Toto 4D Jackpot 1 after betting her own and a friend's car registration numbers.

The housewife joined other lucky winners from Melaka, Selangor and Sabah in sharing the total winnings of RM22.9 million on Sept 9.

The housewife, who won the largest portion of the jackpot, told STM Lottery Sdn Bhd that she was not a regular lottery player and only played when she had "good inspirations".

"I went to another town to visit my relatives and coincidentally met my friend enjoying her holiday there.

"Such a coincidence is rare so I decided to bet on our car registration numbers, 9861 and 3856, and it turned out to be the winning pair of 4D numbers for me," she said.

The housewife said she has

yet to plan on how to spend her newfound wealth but she would probably get a "very nice present" for her friend whose car registration number inspired her to buy the jackpot numbers.

Her System 11 ticket won her a whopping RM17,340,445.75 and System Play bonus of RM3,024.

The second winner from Melaka won RM3,152,808.30 and a bonus of RM611 – also for betting on her family members' car registration numbers of 1113 and 9861 in an i-System 12 ticket.

The 45-year-old winner, who works as an insurance agent, said she was one of those players who would only play the Toto 4D Jackpot game when the total jackpot amount exceeded RM10 million.

"It was actually my husband who alerted and asked me if I

had bet on my set of favourite numbers when he saw the live draw results on Saturday.

"We hugged and screamed like mad people when we confirmed that we had partially won the jackpot," she said.

The third winner from Selangor won RM2,040,052.30 and a bonus of RM633.60 for betting on his late mother's birth date and car registration number – 1113 and 9861 – in an i-System 18 ticket.

The 41-year-old real estate agent said he was informed by his friends when the pair of winning numbers was dawn and that he might have won the jackpot.

"True enough, I won the jackpot and I will use this money to clear my debt," he said.

The last winner from Sabah won RM398,630.85 by also buying an i-System ticket.

## 多多萬字積寶福臨4州 4人合贏2290萬

(吉隆坡18日訊)4名来自马六甲、雪兰莪、砂拉越和沙巴幸运儿，在今年9月9日合共赢走总值逾2290万令吉的多多万字积宝首奖奖金。

首位来自砂州赢家，凭自己和朋友车牌号码，幸运从积宝奖金总额中赢走最大份额，即总值逾1730万令吉奖金。

这位也是家庭主妇的53岁赢家告诉多多博彩，她并非固定投注多多游戏，而是在有灵感时才投注号码。

她说：“当时，我去另一个城镇探望亲戚，更在那里巧遇正在度假的朋友。

### 度外遇友投注車牌

“这样的巧合实属少见，所以我决定投注我们的车牌号码——9861和3856，更幸运地成为我的中奖万

字号码组合。”

这位赢家说，她仍然沉浸在无比欢喜的中奖心情中，因此还没计划如何利用这笔天降财富。

尽管如此，由于朋友让她获得投注灵感进而击中积宝奖项，因此她会送1份厚礼给对方。

由于她是以系统11玩法投注，因此除了总值1734万零445令吉75仙的积宝奖金之外，她也额外赢得其他奖项，即总值3024令吉的奖金。

第2位来自甲州的赢家则由于是以i-系统12玩法投注家人的车牌号码——1113和9861，因此除了总值315万2808令吉30仙的积宝奖金之外，她也额外赢得其他奖项，即总值611令吉的奖金。

这位从事保险业的45岁赢家说，正如一部分投注数字游戏的多多客户，她只有在积宝奖金总额累积超过1000万令吉时，才会投注多多万字积宝游戏。

她说：“事实上，当丈夫在周六查核多多即时开彩成绩时，就询问我有否投注自己的心水万字号码。
